

1. Fill out the customer form and you will swiftly receive a confirmation email from us. Now you have a valid DrumsByRequest account.
2. After you have confirmed your details, you can log in to your own DrumsByRequest account, using your user name and password.
3. There can upload your files, with or without drums.
For this purpose, there is an internal upload program as well as our own FTP link.
4. You can add a guidance note to our team when you send your file, or attach a song with similar drums.
5. You will get an email from us straightaway to confirm we have received your files.
6. As soon as we are ready with your drums track, you will get another mail from us and will be able to hear a 30 second demo of the new track on your account.
7. If you are happy with the demo, chose your payment method and pay for the order. Now you can download all the single tracks. If you want any changes you can get directly back in touch with us.
8. Once you have paid, you automatically get sent an invoice (sent as a PDF).
9. That's all! Enjoy DrumsByRequest.com! Feel free to drop us a line with any questions at info@drumsbyrequest.com.
